The Heavenly® Bed is evolving

Comfortable and stylish, the all-white Heavenly® Bed is an innovative, yet startlingly simple concept which sparked a revolution in hotel bed design.

Since its introduction in 1999, the Heavenly® Bed has earned glowing reviews and loyal fans. Worldwide, a staggering 30,000 Westin guests have made the decision to 'take a piece of heaven home' - purchasing either the bed or the linen or both.

As with all Westin innovations, the Heavenly® Bed continues to be re-invented.

The Westin Melbourne is proud to introduce the new and improved version on the classic Heavenly® Bed. The new mattress design features a deluxe pillow-top providing comforting support and resilience. Individual pocketed springs contour to the body maintaining spinal alignment and ensuring minimal partner disturbance.
