

THE WESTIN MELBOURNE

THE WESTIN MELBOURNE'S RECIPE FOR LOVE THIS VALENTINES DAY

For immediate release: 27 January 2010

Bubbles and strawberries. A romantic candlelit dinner. Luxurious overnight accommodation. Gourmet breakfast delivered to your room. The ingredients for a special Valentines weekend with the one you love.

The Westin Melbourne's **Embrace Romance** package created especially for Valentine's Day sets the mood for indulgence, relaxation and of course romance.

Available from Friday February 12 to Sunday February 14, the award winning hotel's package includes sparkling wine and strawberries waiting at check in. Then dine on a specially designed four course menu dinner by candlelight in Allegro restaurant before retreating to your room. The following morning, a gourmet breakfast can be delivered at a leisurely time – and the Wellness Centre's replenishing pool, spa, sauna and steam room also await before an extra late check- out time of 4pm.

And if romance truly blossoms during your stay, the hotel's concierge can always assist with additional touches from roses to helping secure that perfect piece of jewellery.

From \$570 per couple per night, you can make this Valentine's Day unforgettable.

Or if a romantic dinner is more your style, **Allegro Restaurant** has tables for two from February 12 to February 14 with menus matched to Brown Brothers wines. Start with a prosecco before enjoying a four course meal with accompanying tasting wines for \$105 per person (without matching wines is just \$85 per person).
