## BE PAMPERED WITH THE WESTIN'S IN ROOM SPA TREATMENTS Get ready for summer without leaving your room

9 December 2008: Guests staying at The Westin Melbourne this summer can indulge in pampering spa treatments without leaving their rooms.

The introduction of seasonal In Room Spa offers at the award winning hotel will treat guests to specially tailored packages to revive and relax according to the time of year.

This summer, In Room Spa's seasonal experience focuses on pure relaxation and foot pampering – with two hours of pampering facial and refreshing pedicure for just \$200 per person.

The pedicure begins with a luscious botanical foot scrub to soften and stimulate and is finished off with a nourishing foot & lower leg massage to relax and release tension. Specialist products are used for your deluxe facial to cleanse, exfoliate, nourish and improve elasticity, hydration and skin condition.

The industry leading In Room Spa concept brings the personalized luxury and comfort of a full-service spa to the privacy of the hotel room. The hotel industry's first global in-room spa program, the experience was developed by Westin's spa team and includes a luxurious yet portable spa bed and a spa basket filled with sensory items including Westin In Room Spa music and organic dark chocolate treats to be enjoyed before, during and after treatments.
