Organicspa skincare from Byron Bay is enriched with the finest quality certified organic ingredients and therapeutic blends of extracts. Organicspa is developed exclusively for the premium salon experience.

### [manicure or pedicure \(both treatments are 1hour each\)](#)

A deeply nourishing, hydrating, and beautifying hands/feet and nail treatment using OPI polishes. Leaving you feeling fabulous and absolutely glamorous.

### [refreshing foot treatment \(90 minutes or 2 hour treatment\)](#)

A refreshing foot scrub up to the knee, then a masque is applied to replenish and rejuvenate tired skin. Followed by a full body massage, great for relieving aches and pains.

### [deluxe facial \(1 hour or 90 minute\)](#)

Our nourishing facial is suitable for all skin types.

Using a select range of soothing skincare products to cleanse, exfoliate, moisturize and improve skin condition. All facials include a scrub, mask, a 20 minute facial and scalp massage. To further enhance the feeling of total relaxation, our therapist incorporates a soothing, detoxifying foot massage into the treatment.

### [body scrub and wrap \(1 hour\)](#)

A full luscious scrub, followed by a clay body wrap treatment tailored specifically to your skin type. This treatment thoroughly cleanses and rejuvenates your skin, leaving the skin clean and silky smooth to touch.

### [total relaxation package \(2 hour\)](#)

This package includes a deluxe facial for your indulgence catered to your skins needs. Purifying, cleansing, and nourishing, leaving your skin hydrated and toned. As part of the treatment you will receive a full stress relief body massage, soothing your body and mind. The treatment is completed with a relaxing scalp pressure point massage relieving exhaustion, headaches and general mental fatigue.

### [indulgent body treatment \(2 hour\)](#)

If you require a little extra pampering then this is the treatment for you. Using our exclusive products we start with a full body exfoliation and a gentle facial scrub, which detoxifies and invigorates. Finishing with a full body stress relief massage and a scalp pressure point massage. Ideal for soothing the mind and revitalizing the body.

### [beauty maintenance package \(3 hour\)](#)

Maximizing the absorption of essential vitamins and minerals into the deep layers of the skin. This ultimate facial indulgence is tailored to your skins' requirements and the need to purify, deeply cleanse and nourish. Including a Glamorous pedicure, with nail and cuticle work. Finishing treatment with a full body massage and scalp pressure point massage, restoring balance to the body.

### [men's indulgence package \(2 hour\)](#)

Our Men's package is designed to target stress. The treatment commences with a head to toe body massage followed by a botanical foot scrub to exfoliate feet and legs and concludes with a mini facial and scalp treatment. This invigorates and relieves tired aching muscles. Ideal for the man on the go.
